

Fly Soup

By A. C. Zito

Red fly

Blue fly

Silly fly

Soupy fly

I love fly soup!

It taste creamy and juicy

And goes chewy with maple syrup too!

Red fly

Blue fly

Silly fly

Soupy fly

I love fly soup!

I can eat it all day

And make it with bean casserole too

And don't forget to throw in the flies, *ya'* nincompoop

Orange fly

Purple fly

Magnolia fly

I'll give it a try

They're all *out of* fly soup!

I bet the dang penguin catcher took it

And I bet she ran off with Bertha's boot too!

Sugar fly

Poodin' pie

Ms. America says she love my fly soup!

I make it with such care, and she always says it's an alleyoop!

Wormy pie

Permy hair stye

Did you see that bird chirp?

It came all the way down from Rock Jelly

And sold a banana spoon to my good, ol' pal: Big Belly Burt

Potato pie

Your hands are tied

But I still need help serving this to Murt

He ordered the fly soup special

And it came right from the jungles of Darth Vader's undershirt

Vessels of gravy pie

Makes my heart cry

But really

Have you seen what happened to Murt?

His order's up

I really can't find him

I bet he found some girl

What a big ol' flirt!

Moonshine

Shoe shine

I've sure shone myself how much I love fly soup!

And in case you were wondering

Yes, I am a frog

And yes, my name is Curt!

I'm 2 inch, 7

Have really big eyes

And an even bigger heart

And yes

I love

Fly soup
