

My Anthem

By A. C. Zito

Have you ever gazed up at the birds in a tree?

Watched them as they flew around so high up

Have you ever felt the cool ocean breeze?

Brush by your lips make you feel so high up

Have you ever looked up at the moon in the dead of the night?

And wondered if it's really so high up

Have you ever let a song be the anthem in your life?

And let it be your reason for not giving up

I have to all these and more

And even if it was for the world

I wouldn't give them up
